That's right. Nyomi says stop dreaming and do something about it. Take control of that booty and make it your own. Make it hum. Make it purr. Make it buy you a drink. This is one helluva bubble-butt that just begs for attention.

So give it all you got.
Your cock will thank you.

Nyomi tells us the for
Christmas two years ago
she dressed in a new Vic-

boyfriend and when they
were in bed, he undressed
her and found a big pink
bow wrapped around her
butt. She said that was

I haven't shared my booty

nope. It's been close. Once a

FLOATING IN SPACE

My name is Adrian and I'm in a very fortunate situation I wanted to share with you. I have a Jamaican lady friend that I've been going out with for the last six months. We met at a coffee shop over iPads. She had spilled hot coffee on hers and was in a bit of a panic because she had to email her mom in Jamaica by nine pm. I offered mine and we've been friends ever since. We saw each other off and on for a couple months before becoming lovers.

I cannot (but I will) tell you how wonderful she is because she says I make her float in space (thank you Bob Marley). What is incredibly special about her is her passionate desire for anal sex. She gets very excited when that opportunity presents itself. She lays on the bed and raises her ass in the air with her legs spread wide and nice round cheeks slightly spread. I can feel the heat from her body just steaming from her hot hole eager with anticipation of my stiff hard tool entering her.

At this point she can hardly contain herself and I can see her moist wet hole puckering up for my cock. She starts to whimper and urges me to take her now. I hesitate for effect and then slowly insert my a finger in her ass to test how really ready she is for me. She is very wet, she moans with pleasure and

pushes back to have me completely inside her. I slowly move back and forth with my finger then I quickly insert another finger to ready her for my thick cock. She can hardly wait for the penetration she desires from my cock. I slowly

reach around her legs to feel her pussy and feel the desire that has been building for her ass.

I find her pussy lips completely swollen and drenched with juice from the excitement she is about to receive. I take my fingers and begin to fuck her pussy with them. Her lips are quivering and actually sucking my hand as I continue to play with her wet hole. I only do this for a instant as I take aim

To the editor,

To me, Ariel looks like a dirty girl who needs to be cleaned up. I want to soap her up and wash her from head to toe, front and back, lower to my knees, and take pussy into my mouth. I want to lick her hard clit, lightly grazing it my teeth, thrusting my tongue deeper into her pussy. Meantime, she is reaching with her hand to cup my balls and lightly massage them and then takes my whole cock into her mouth. I'm grasping her head, and thrusting my cock into her mouth, gently fucking her face. Meantime, I'm sliding my hand past her pussy to her ass, gently rubbing her ass passage as I thrust into her mouth.

I'm now inserting a finger and rubbing just inside the rim as my hands grip her head a little firmer. Now my finger's gently fucking her ass and my cock's deep in her mouth as the hot water hits my back. Giving me a minute to catch my breath, you wrap your lips around it for one final kiss.

— Cody, Denver

with my cock and steady it for my intended target, her waiting ass.

In one complete motion I meet and insert my hard pole and drive deep into her waiting flesh and slam deep inside her with no resistant but wet juice and her sucking ass muscles around my cock. She lets out a loud moan of pleasure and whimpers as I begin to work my meat pole in and out of her ass.

She can no longer wait for me and starts to impale herself on my cock harder and harder. She wants to be fucked hard and feel me cum deep inside her now. She is so wet I can hardly keep from falling out as I repeatedly pound her opening again and again.

I can feel her inside tightening up and I know she will explode very soon with an orgasm that she has been waiting for. By now she is floating in space with me fucking her ass and it is all about her excitement as she wants to cum on my stiff flesh. Her back is arched back with her boobs facing up.

Her nipples are rock hard and I begin to pinch them to release yet another pleasure sensation throughout her hot, sweaty body. She starts to buck up and down on my cock and completely takes over my own body as she sucks me in and braces for the hard wave of orgasm about to explode inside her beautiful brown hole.

Nearly in tears from emotion, she suddenly stiffens her body and explodes with an orgasm and her asshole is now sucking my cock looking for my load to join her own excitement. Her orgasm grips my cock and she will not be denied,

I complete my penetration of her and pound her until I release my milky hot load deep inside her as I feel her quivering body accept my pleasure. I collapse on her steamy body as I let my cock empty every bit of my essence inside her.

Slowly my cock is released, soaked and tired, we wrap ourselves into a blissful union, catching our senses and thinking about the next time we can take this fantastic trip together.

– Adrian, NYC

BOOTY CALLED

Last Friday night I had just gotten home from a friend's house, was kind of drunk, laid in bed and was almost asleep when I got a phone call from another friend asking if

he could come and snuggle. I said maybe and he said he was coming now. Some fifteen minutes later I get a text message saying "3 some?" I text back "no".

Next thing I know, two of my guy friends turn up at my door and I answered wearing my Oakland Raiders oversize shirt and panties. They both came in and started taking their clothes off once they got to my bedroom. I laid down in bed trying to sleep. They both crawled into bed with me and began touching me. I said "No" but really wanted them to keep going.

It felt amazing to have two cocks in me at once. We changed positions and I sucked the first one until his cum was running down my throat. They switched positions and I could taste my own juices on his cock as I licked him.

They did and soon I was naked with them. I could feel their cocks rubbing on me and I reached down to stroke them. I had hands touching me all over and soon enough I was dripping wet. I sat up and got on all fours, one of them started pounding me from behind and I

IT WAS WORTH THE DRIVE

This fall I went to Lexington to visit my girlfriend at college. She decided not to go home for Thanksgiving, so I went to visit her. She's in her final year and has done very well. She lives off

started jacking me off when the same roomie came in and gets under the covers with us.

You could see her hand going up and down under the covers, so this girl reaches over and grabs my cock, too. We immediately started rubbing and kissing on each other, I pulled her thong off to the side and even though she was soaking wet, I didn't know if I was going to get into her pussy.

Then my girlfriend starts fingering her roomie's slit. Then my GF started riding me, and her roomie hopped on my face, it was fucking amazing. The two then switched places with my GF now on my face and I eat her and lick her sweet, wet pussy. Then I feel her roomie grab my cock and guide it into her pussy. She starts riding me so hard, we both came after a while.

When she got off, my GF sucked mine, her's and roomie's cum off of my dick. The three of us fucked the rest of the night. It was the best Thanksgiving ever.

– Marques, Columbus

had the other one's cock in my hungry mouth.

It felt amazing to have two cocks in me at once. We changed positions and I sucked the first one until his cum was running down my throat. They switched positions and I could taste my own juices on his cock as I licked him. He finished as well and I swallowed his, too. We fell asleep; woke up; and watched the sun come up. We were all ready for round two.

– Devin, Florida

campus with a couple other roommates in a large house.

So, my girlfriend and I were watching a movie, and one of her roomies came into the room and plops down on the sofa with us. A few minutes into the movie, she pulls my girlfriend's boobs out of her top and starts licking and sucking them. My girlfriend did not complain and that confused me and turned me on a bit. I didn't say anything there on the spot but later that day, we were getting ready for bed, watching another movie and my girlfriend

Brown Suga admits to having have an oral addiction. Yes, fucking is great and she does a lot of it, but there's something about licking a man that turns her red hot. It's the taste, it's the view, it's the feeling of control. When she makes a man cum with her mouth, it wants to shout out 'Hooray, I did it again. Let me do it to you.'

She admits that tickling the juice out of your cock with her tongue is a lot of fun. But she's got boobs and booty to help along. In any case, the point is to squeeze that milky white gold out of your cock, even if it only takes a minute. There's nothing wrong with a quicky if it makes her ample chest sticky.

Mix Work and Play

there's no reason not to dip into the company pool

Have you ever wondered how guys got to meet gorgeous centerfold girls like Celeste, or any of the other "Heavenly Honeys" of the universe? Certainly not regular men like Julian. He had been a flute player in the high school band, which didn't exactly get him laid like the drummers. Now that he's been in the workforce for almost ten years, things haven't changed much. The telemarketing company he worked for wasn't exactly a breeding ground for dating and finding sexual partnerships. The few women that he actually got up the nerve to talk to didn't seem to think that a mid-level marketing manager was a stud worth engaging.

New to the group this year was Shaylynn. She transferred from a competitor in another city. For the last four months she was assigned to his department, in charge of coordinating focus groups for the company. They butted heads a couple times, but he saw that she was a worthwhile employee and treated her with respect. In return, even though it took a while, she saw that he knew his stuff and was encouraging her to be her best. After a particularly difficult session, Shaylynn came through like a champ. He helped her where he could, but whatever problem came up, she solved it, whatever question was asked, she answered it. It had been a long day and he asked her if he could buy her dinner for doing such a great job. Wearily, she agreed and thanked him, saying food was the last thing on her mind and didn't realize how hungry she was.

They went to a nice homey Italian restaurant and she had lasagna while his was a baked ziti, and a couple bottles of wine. They had a great conversation and started flirting a little. Compliments go a long way in softening a woman's defenses. During dinner, she would touch his arm, his leg, his cheek, and while he admits he's no Denzel, he has learned to use what he have. He just hadn't used it much. After dinner, she cooed that they could go back to his place. He told her he wasn't expecting company and it might be a bit messier than she was used to. Apparently that didn't matter too much, but he was sure that a lot of what she said was because of the merlot earlier. They head

back to his place and Julian manages to put the key in the door and opens it. Before Julian had realized what was happening, Shaylynn had entered his house and was looking around. Julian was truly shocked. She looked around the room, then helped herself to a seat on the sofa. She loosened her jacket and asks Julian for a drink. He retreats to the kitchen and returns to find her roaming around the living room checking out his stuff.

Shaylynn said she wanted to freshen up and asked where the bathroom was. He motioned down the hallway, the hallway that went past his bedroom, with his door wide open. Julian immediately thought of Celeste's magazine centerfold wide open on his bed and wondered if she had seen it. He went into the bedroom to clean up, but just as he did Shaylynn comes in, too. He sees her notice it and the immediate flush of red on his cheeks evoked a smile from Shaylynn and answered his question. She sat on the edge of the bed and asked what's on TV. After a rushed an 'its okay,' Julian edged to his bed, sat down, and quickly grabbed his TV remote control with one hand while folding his magazine closed with the other. She leaned back on her arms on the bed. The television turned on to one of those dating shows where the cocky superbodied men make jerks out of themselves in front of the stunning superbodied girls who didn't seem to want to settle for average guys like Julian.

Kendall stroking her hot pussy in front of him. Kendall opens her eyes, her finger now entering her vagina as she sees Antonio pulling out his erect cock. Kendall gasps when she sees it.

Julian and Shaylynn then looked as if seeing one another as members of the opposite sex for the first time. He with the tousled curly hair, brown eyes, and slim body; she with the full lips and still fuller hips of the delicious black woman that she was. Simultaneously they spoke, 'When was the last time you were out on a date?' then giggled and blushed as they realized that they were both thinking the same thing. Neither of them had thought of the other as someone who would date.

Suddenly Shaylynn tells Julian to stand up and take off his clothes. Shaylynn silently and slowly appraised him from head to toe. Julian stood uncomfortably as she gazed at his wide shoulders, then down to his chest and flat stomach. She then bowed her head to look at his bare feet and slowly gazed up his legs. When he saw her eyes fixate on his crotch, it took every bit of Julian's willpower not to feel the stirrings of an erection. He lost. His penis throbbed and pushed against the opening of his shorts. He groaned in defeat and embarrassment as Shaylynn started a small smile, yet continued to stare at his growing member. Julian didn't know what to do. While keeping her gaze fixed on his crotch, Shaylynn, still sitting on the bed, reached up with her right hand and firmly began to rub Julian's cock right through the thin layer of fabric of his boxers. Both of their mouths were partly open and both of their chests were rising and falling with the labored breathing that their pent-up passion was creating. Standing up right against him, she took his face in her hands, and gave him a firm lingering kiss. Her arms slowly snaked around his neck; her breasts pushed the fabric of her bra and blouse into his ribs. In turn, Julian felt his boner poke its way into Shaylynn's stomach.

Taking further control, Shaylynn pushed down on Julian's shoulders until he was sitting on the bed. Julian had trouble controlling the trembling in his fingers while trying to slowly but smoothly get Shaylynn's blouse off without further fumbling. He managed to get her blouse and jeans off without much trouble, but he had difficulty unsnapping her bra, especially since Shaylynn's hand was still busy tugging at the lump in his shorts. She then reached behind with one hand and undid the bra clasp with a quick pinch of her fingers. She turned around to face Julian. Now it was his turn to stare. Her breasts were very full and

firm. She had full thighs, firm calves, and purple polish on her toes. He slowly slid her panties down, and in doing so noticed with surprise that her pussy was bald and smooth. It was also glistening with her juices.

Shaylynn put one hand on each of his shoulders and pushed him down on the bed. "You won't need this tonight," she said as she held up the magazine containing

Celeste. They laughed as she sat on the edge of the bed in front of him. She worked Julian's shorts down over his erection and down to his ankles, then he kicked them off and stood before her with his hands on his hips, uneasy to touch her. Reaching around to grab his ass with both of her hands, she opened her mouth wide, then clamped her sweet full lips around the head of his cock. A low groan escaped Julian's lips. All of his inhibitions faded as his newfound lover's head began tantalizingly bobbing back and forth over his rod. His hands found their way to the back of her head and began pushing while trying to guide her to a faster pace. But Shaylynn would have none of it.

She used her tongue as well as her lips over the length of his cock's long shaft. The slurping sounds echoing off of the walls of the bedroom were driving Julian over the

edge. Shaylynn cupped and began to massage his balls. Julian's hips started to make fucking motions back and forth as he felt the cum rise through his shaft. Shaylynn pulled her mouth away, leaving Julian's dick wanting to the point of ache. He had never remembered ever being so hard. She knew exactly what she was doing to him, guiding him through the sex like a puppet master. She lay back on the bed with one leg flat and the other bent and open. Her exposed pussy seemed to wink at him. Julian stared at the inviting slit for a moment. He hadn't realized just how pink and beautiful a woman's cunt could be before now. Seeing the contrast of Shaylynn's glistening hole against the dark chocolate of her skin made his prick jump yet again.

He crawled onto his stomach until he was with oral reach of his target. His fingers spread her labia wide, then he pointed his tongue and touched the tip to Shaylynn's clit. She came right then and there. Julian couldn't believe it. She moaned softly and thrashed, grabbed him with both hands in his hair and shoved his face into her pussy so hard that Julian could barely breathe. He kept his tongue glued to her clit however, and he could feel her inner walls pulsing and spasming crazily against his lower lip. With Shaylynn's full-size thighs trying to squeeze his ears together and the shortage of air into his lungs, Julian found it truly amazing to realize that he still maintained a massive erection. When Shaylynn's body went limp during the aftermath of her orgasm, Julian seized his opportunity to take control. He raised up on his knees, spread the woman's still lightly twitching legs, and threw them over his shoulders. He saw no protest from Shaylynn's eyes as they

were still a bit glazed from the force of her cum. There was a moment of hesitation as Julian observed the contrast between the brown of Shaylynn's skin, and the slippery-looking pinkness of her cunt.

Julian then buried his dick inside of Shaylynn in one long thrust. The penetration made both gasp with pleasure and Julian held his pose so that both of them could savor the feeling. Julian spread his fingers wide and filled his hands with her heaving breasts. He squeezed her beautifully hard dark nipples between his fingers. Shaylynn arched her back off of the mattress to increase the friction, then reached up to play with his nipples in turn. This spurred Julian to fuck Shaylynn so hard that the sound of his balls echoed off the walls of the room. Grunts and groans filled the air. The bed shook and rattled like an old model car. But neither of them cared about anything except the passion that they forged within one another.

Julian leaned his chest and shoulders forward so that his pubic hair started to grind against the hairless pussy and clit of his lover. The effect was awesome. Julian leaned forward further until his chest lay on top of Shaylynn's boobs. He kissed her full lips passionately and slipped his tongue into her mouth while he pushed his cock as far inside her pussy as it would go. Shaylynn held the kiss, moaning into Julian's mouth. The rhythm of their fucking grew faster. Harder. Even more intense. Julian closed his eyes and gave

three final thrusts. His back arched as he bellowed his orgasm into her. Her back arched more as she screamed and dug her fingernails into his shoulder. He shot load after load after load inside of her pulsing cunt. They both froze like statues as pure pleasure engulfed them. Julian made a quick wish to never have this moment end. After long moments, it finally did.

Julian slowly rolled off of Shaylynn and onto his back, then closed his eyes again as he held her hand while laying shoulder to shoulder. A moment later he was snoring gently. When Julian awoke, she was gone and his room was dark. He sighed, trying to piece together in his mind the earlier events to make sure that he didn't just dream the entire wild affair. The next day at work, Shaylynn came in a few minutes late. She smiled and said "Good morning," to him as she walked by.

I bet you're wondering, how could a friend do this to another friend? Very tenderly, we say. But you gotta admit, it's fucking hot. First a tongue, then a finger, then a toy. How many of those have been close to your ass, let alone inside it? Obviously, there's something fun about it, and we're glad these two got a chance to enjoy themselves with you looking on.

I'm an adventurous kinda girl. Growing up in Mississippi, we'd do all sorts of things to keep ourselves entertained. And sexual experimentation was one of them after I started college.
